## 1. EZweb

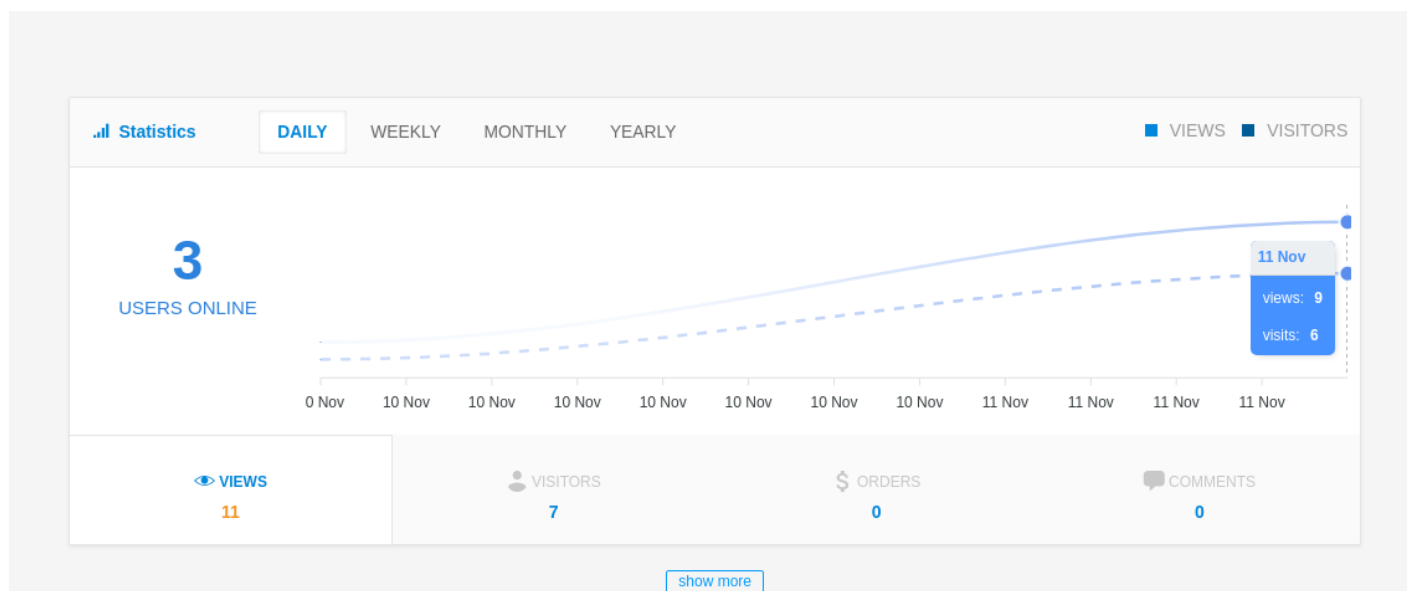

- " IP+/admin"
- admin / admin123

The image shows a login interface for 'Admin-Security' version 1.1.1.19. At the top, there is a logo consisting of a blue padlock with a keyhole and a blue cloud, with the text 'Admin-Security' below it. The version number 'v. 1.1.1.19' is displayed to the right of the logo. Below the logo, there is a white login box. Inside the box, there are two input fields: the first contains the text 'admin', and the second contains a series of dots representing a password. Below the input fields, there is a 'Language' label followed by a dropdown menu showing 'EN' with a downward arrow. To the right of the language dropdown is a blue 'Login' button. Below the login box, there are two links: 'Back to My WebSite' with a left-pointing arrow icon, and 'Forgot my password ?' in blue text.
