Welcome To Nessus Essentials

Welcome to Nessus Essentials and congratulations on taking action to secure your network! We offer the latest plugins for vulnerability scanning today, helping you identify more vulnerabilities and keep your network protected.

If you're looking for more advanced capabilities, such as live results and configuration checks – as well as the ability to scan unlimited IPs, check out Nessus Professional. To learn more view the [Nessus Professional datasheet](#).

Activating Your Nessus Essentials License

Your activation code for Nessus Essentials is:

Username Password Sign In

The image shows the Nessus Essentials login interface. The background is a dark blue gradient. In the center, the Nessus Essentials logo is displayed. Below the logo, there are two input fields: the first is for the username, containing 'admin', and the second is for the password, containing a masked password '*****'. To the left of the password field is a 'Remember Me' checkbox. To the right of the password field is a red circle with the number '2'. Below the input fields is a red rectangle with the text 'Sign In' and a red circle with the number '3'. At the bottom of the login form, there is a copyright notice: '© 2021 Tenable™, Inc.'. In the bottom right corner of the screen, the Tenable logo is visible.
